DR. JOSE P. RIZAL MEMORIAL AWARDS

"In Search of the Filipino Physicians of Distinction"

The Dr. Jose P. Rizal Memorial Award is given to outstanding Filipino Physicians whose life and work embody the ideals of our national hero in the conduct of their practice, in the way they live life that is reflective of Rizal's love for God and country, and in the selfless service to fellowmen, especially the poor and the underprivileged.

This partnership program of the Philippine Medical Association and United Laboratories, Inc. initiated by Southern Tagalog Association of Medical Practitioners, hope to inspire both physicians and non-physicians to perpetuate the memory and legacy of Dr. Jose P. Rizal: writer, philanthropist, sportsman, and physician.

The award began in 1987, when a group of PMA component presidents from the Southern Tagalog Region conceived of giving an award to an outstanding Filipino physician of the year. The STAMP Regional Council, headed by Dr. Galicano Espiritu (Cavite), and its Project Director, Dr. Aquilino Carino II (Laguna), decided to give the first award ever.

Later in 1991, to make the award national in scope, STAMP sought the support of the Philippine Medical Association, through its President, Dr. Homobono B. Calleja, and United Laboratories, Inc. through Dr. Delfin B. Samson Jr., and Mr. Jerry Esquivel.
