MEMORANDUM CIRCULAR No. 2012-0608-003

To: All PMA Governors, Presidents of Component Societies, Specialty Divisions, Subspecialties and Affiliate Societies

GREETINGS!

Please be informed that the existence of the Philippine Medical Association as a corporation (SEC Registration No. 23970) will expire in 2013.

A resolution was unanimously approved by the previous Board of Governors to extend the corporate existence of the PMA for another 50 years. The Corporation Code of the Philippines requires that any extension must be done through an amendment of the Articles of Incorporation and shall be with the approval of the members. It was likewise unanimously approved to amend the corporate address of the PMA from Manila to Quezon City.

We have disseminated this resolution during the last quarter of the last fiscal year. Members who have given their assent and approval need not sign again.

Please request all other members who have not given their approval to please sign the attached form and return it to the PMA Secretariat on or before December 30, 2012.

Thank you very much.
