RESOLUTION NO. 100

WHEREAS, the Climate Change Office (CCO) is the lead policy making government body tasked to coordinate, monitor and evaluate programs and actions plans tackling the impact of climate change in the Philippines;

WHEREAS, the Climate Change Office (CCO) has embarked on a nationwide initiative towards making Philippine Hospitals and Clinics climate-smart, with the objective if minimizing their carbon footprint as their contribution to lessen the impact of climate change, as well as adapting to the risks and effects of climate change on human health and survival;

WHEREAS, the PMA recognizes the urgency and gravity of climate change challenge by undertaking a unified, complimentary and synergistic collaboration to mainstream health in the climate change response;

RESOLVE AS IT IS HEREBY RESOLVED that the PMA will support the Climate Change Commission through the Climate Change office in its nationwide initiative to make Philippine Hospitals, Clinics and other health facilities to be climate smart by 2028 as a priority project for collaboration implementation.
