

Republic of the Philippines
Department of Health
OFFICE OF THE SECRETARY

February 8, 2021

BENITO P. ATIENZA, MD
President
Philippine Medical Association

Dear **Dr. Atienza**:

This has reference to the upcoming implementation of *Bayanihan, Bakunahan* National COVID-19 Vaccination Days (NVD), Part III on February 10 to 11, 2021, replicating the feats of the two previous *Bayanihan, Bakunahan* National COVID-19 Vaccination Days. By fostering the *Bayanihan* spirit among Filipinos, the National Government sought to mobilize all stakeholders, people, and logistics to facilitate the vaccination of unvaccinated individuals.

The two-day vaccination activities aim to vaccinate at most 6 million individuals ages 12 and above; two (2) million individuals with primary dose series and four (4) million individuals with booster doses.

In this regard, the National COVID-19 Vaccination Operations Center (NVOC) is requesting again the support of the Philippine Medical Association through deployment of its physicians' members.

For further concerns, please contact the Department of Health - National COVID-19 Vaccination Operations Center Secretariat at c19vaccineopcen@gmail.com or Dr. Adriel R. Pizarra at 0917-304-0481.

Thank you very much for your continued support.

Very truly yours,
