

## THE OUTSTANDING FILIPINO PHYSICIAN 2023

Who may be nominated? The nominee should be a Filipino Physician (natural born or naturalized) who is at least 41 years of age before October 31, 2023. We are looking for those with professional ethical conducts and practices, leadership in the community, high personal integrity and self service to those in need. He should also have received awards and citations related to the medical profession. Recent and past achievements should manifest his compassion and dedication as well as patriotism for staying in the country to serve the community especially indigents and for making significant contributions to national development in general and public welfare in particular. We are looking for your Hero, your mentor, your inspiration in the medical community.
